Custom 1" Aluminum Horizontal Blinds

Custom made aluminum blinds are manufactured to your precise specifications. All blinds are made with only first quality spring tempered aluminum slats, premium steel headrail, color coordinated cords and ladders. Allbright offers a variety of today's most fashionable colors and design choices including Jewel, Pearlized, Alumiwood, and Metallix collections. Allbright's custom aluminum blinds combine high fashion with superior quality affordability, dependability, and overall value.

Custom 2" Vinyl Horizontal Blinds

2" Vinyl Blind is the choice for contractors on a limited budget who want an attractive, designer look. The 2" Vinyl Blind is made with a durable metal headrail and comes with a 2" valance.

The static-resistant slats of the 2" Vinyl Blind won't warp or crack. The durable design paired with room-darkening slats make these a great choice for any sunny spot!

Custom 2" Aluminum Horizontal Blinds

Features a sleek 2" x 1½" low Profile Headrail and color matching Bottomrail for a clean, complete look. The tilt wand is made of durable clear acrylic and the proven CRASH PROOF cordlock design holds the blind automatically in place upon release of cord so it will never fall. The 2" Aluminum Alloy Slats are heat treated and spring tempered for maximum strength and flexibility resisting internal and external corrosion. The slats are 0.008" thick and treated with a polyester enamel coating.

A decorative valance is supplied with all 2" Aluminum Horizontal Blinds (when specified) at no charge as are the installation brackets, which are easy to install and color-coordinated to match the blind.

Custom 2" & 2 ½" Fauxwood Horizontal Blinds

Get ready to show off your great taste with the look of real wood at a fraction of the price. The 2 Inch Faux Wood Blinds offer the beauty of wood but are made of a more durable and moisture resistant material. The 2" slats can withstand both humidity and heat and offer a more open view of the outdoors than smaller slatted blinds. Available in solid painted colors, wood grain textured PVC. You'll love choosing from a wide range of traditional colors as well as the modern grey and dark walnut for a perfect match in any home.

Custom 2" Wood Horizontal Blinds

These real wood blinds are made from genuine basswood and feature rich grain that's been enhanced with a protective UV-resistant finish. They are available in a wide range of on-trend, classic painted and stained finishes, which will coordinate with trim, furniture, and flooring.

Our 2 Inch Wood Blinds also offer durability and ease of use. They feature a trapezoidal bottom rail, which ensures better slat closure, and offer several lift options that make lifting them a breeze.

Custom Made Apartment Drapery

Pinch pleat drapes bring sumptuous, gathered fabric to your panes and grant your windows a rich appearance. Uniform folds make for a tidy drape that will keep your surroundings looking spic-and-span. Hung from your clip rings or drapery pins, these window treatments maneuver easily on curtain rods to admit the ideal amount of light.

Custom Cellular/Honeycomb Shades

Light Filtering Cellular Shade ensures you can carry out the same stylish look and trusted durability throughout your entire home, including your windows, doors, and skylights. One of our most popular shades, the Light Filtering Cellular Shade gives you maximum customization. These shades sport all the best benefits of custom honeycomb shades—beautiful fabric choices, great insulation, privacy, and light filtration—and their minimal stack preserves your outside view. They're available in a beautiful array of colors and offered in a choice of a crisp fabric that feature white-to-the-street backing, which gives your home's exterior a uniform look.

Blackout Cellular Shades are our best-selling blackout cell shades. Their ability to completely block out external light makes them ideal for day sleepers, as well as a great choice for media rooms. You can also enhance the blackout capabilities by adding light blockers to each side. These insulating shades feature air-trapping honeycomb cells that repel summer heat and winter cold alike. The result is year-round comfort and lowered energy bills. We offer a variety of single cell and double cell cellular shade fabrics, from light filtering to blackout, in neutral tonal shades to rich pigment tones it gives you more choices and creativity. There are also fire-retardant fabrics available for commercial applications.

Custom Roller Shades

Roller shades are available in a wide variety of colors and patterns, so let your personality shine! They're amazingly easy to clean and operate, which makes it simple to keep them looking brand new. Select from a variety of neutral tones and subtle patterns or pick a pop of vibrant color or bold print to match your décor style.

Complete the look of your shade with a Fabric Wrap Cassette or a Metal Fascia. Available in reverse roll for your preference.

Custom Vinyl/Wood Shutters

Choose from a variety of designer-inspired materials and finishes. In addition to their lasting beauty, shutters provide exceptional light adjustment with their movable louvers.

A classic window covering that's thoroughly modern.

Durable composite shutters are ideal for kitchens and bathrooms.

Custom Window/Slider Screens

Every window/slider screen we make is custom designed to your specification. Providing a wide variety of frame colors and mounting hardware options. You'll be able to get new window screens that are perfectly suited to your needs. However, because we custom manufacture directly for our customers, it does mean that we are unable to accept returns on our custom window screen products. This is why it's extremely important that you provide us with accurate specifications of what you need us to make. If you have any questions, please reach out to our customer service team.

Custom Commercial Window Film

Solar Control Film

Save energy and increase comfort while making the most of natural light and views with solar control film. We offer a comprehensive range of solar film so you can find the features and look that's just right for your project.

Decorative Window Film

Add privacy, a design statement, or both to glass in commercial spaces with decorative window film. It's an affordable style update that's simple to switch out for a style refresh or a new tenant.

Safety and Security Film

Commercial properties, occupants and merchandise are more protected when you add this type of film to your comprehensive security system. Engineered and tested for ability to help fight vandalism, safety and security film attracts little-to-no attention—unlike bars.
